

Economical infrared thermal imager for civil use

MP-25 | MP-35 | MP-50

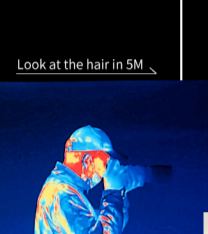

- MP-25**: 400 × 300@12µm High sensitivity vanadium oxide uncooled detector
- MP-35**: 8 hours of battery life
- MP-50**: 25mm, 35mm, 50mm. Three lenses available

- Five Cross cursors
- IP67 super-securty level
- Rich Image Adjustment Function, can extend the external screen, guide rail

Multi-scene applications search for good helper

Outdoor adventure

See the target in the dark, explore the unknown

Fire and rescue

To search far beyond the confines of a hostile environment

Police enforcement

Can be long-distance without alerting others to quickly determine the location of others

Corporate security

Long-distance observation of the plant area, not affected by the night

Animal observation

A quick search for animals gives them a distinct advantage at night

Outdoor night vision

Always watching, always helping out in the field

The images are exquisite, high-definition views

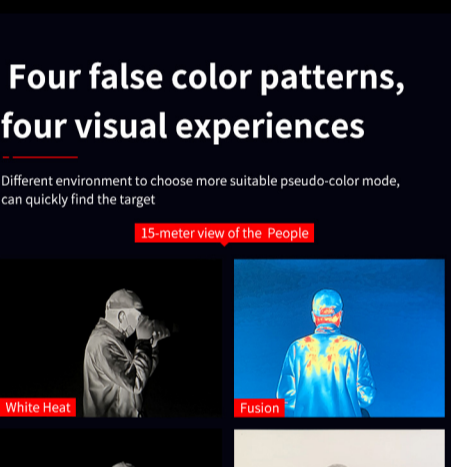

Using 400 × 300@12µm high sensitivity vanadium oxide uncooled detector, color 1024 × 768 OLED screen

- Look at the hair in 5M
- Look at people from 15M
- Look at duck from 30M
- Look at deer from 200M

Easy to hold in one hand, light and portable

Weight ≤450G, hold hands for a long time, travel light and explore the unknown

Mute button, flexible control

Four false color patterns, four visual experiences

Different environment to choose more suitable pseudo-color mode, can quickly find the target

It'll last you eight hours

With 18500 replaceable battery, easy to buy. Single battery stand-by > 8 hours, support USB-C chargers power supply, do not worry about battery life!

IP67 protection level, more resistant

One-piece aluminum-magnesium Alloy CNC technology to produce a lightweight solid body, heat resistance and wear resistance to impact, 1 meter drop resistance, suitable for all kinds of hot or cold environment.

Standard layout of product package

- Products and tracks X1
- Portable bag X1
- 18,500 batteries X2
- Chargers X1
- Cleaning Kit X1
- Instruction Manual Warranty Card X1
